Re: Sali Asllani v Astrue 07 CIV 8408

Honorable Sir,

Plaintiff's brief and motion for Judgment on the Pleadings is due on May 16, 2008 in this Social Security Disability matter. I have been in touch with John Gura, AUSA who indicates that his client is considering remanding this matter for further administrative proceedings.

Because of the time it will take for them to finally decide if they will be remanding, Mr. Gura and I would ask the Court to move all dates found in the March 28th scheduling letter forward by 30 days. Obviously it is our hope that the matter will be settled by that time.

Thank you for your cooperation. Please contact the undersigned if you have any questions.
